Hazardous Weather

Weekend Outlook

Warm, with thunderstorms possible

Weather Forecast Office
Midland/Odessa, TX
Issued April 28, 2018 3:05 AM CT

Temperatures will top out near normal today. A few **thunderstorms** are possible this afternoon and tonight, mainly across the higher terrain to the west, though no severe weather is expected.

Thunderstorm chances shift east on Sunday, and while widespread severe weather is not expected, **a few storms may become strong to severe**. The primary threat with these storms will be **large hail**.

f t NWSMidland

weather.gov/maf

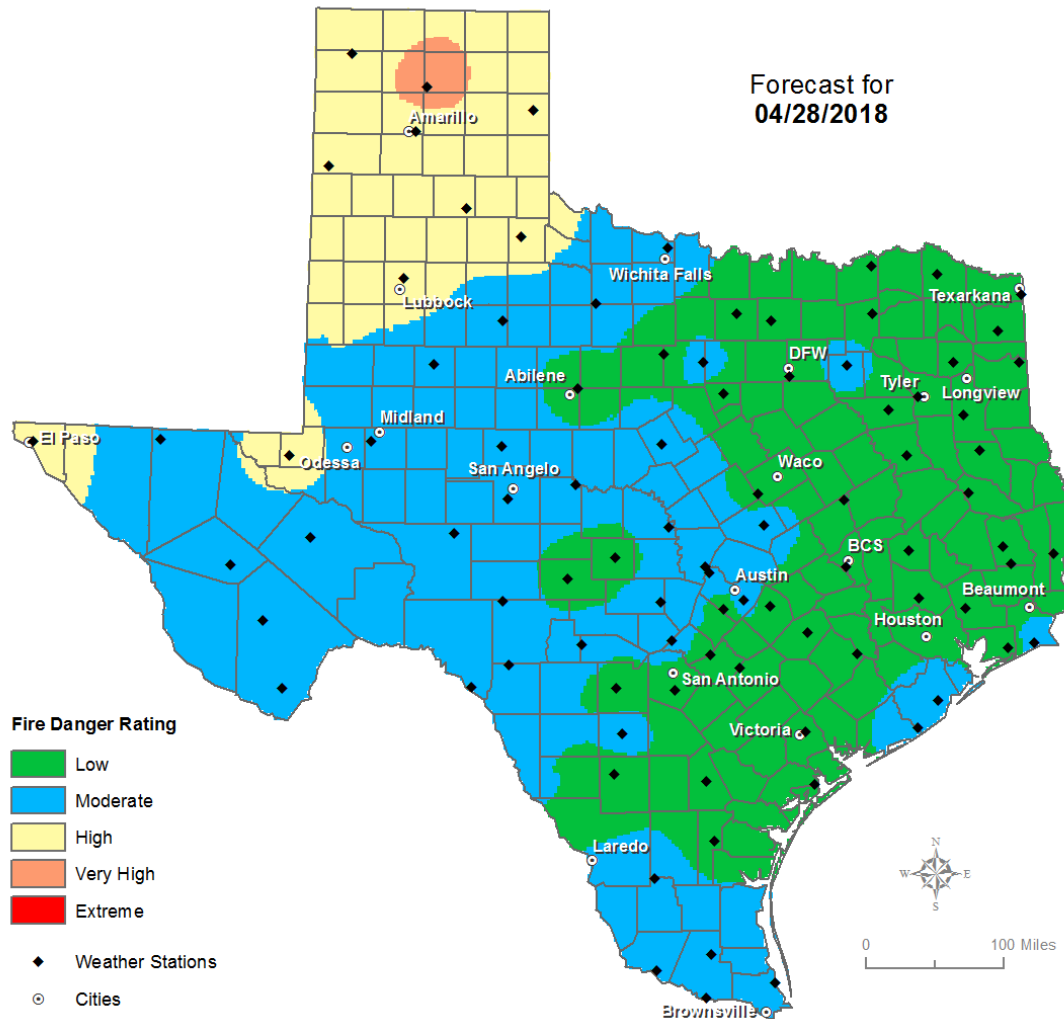

Temperatures will be near normal this weekend in the 80s and lower 90s for most, and 70s in the mountains. A few thunderstorms will be possible today, mainly across the higher terrain. On Sunday, thunderstorm chances shift eastward, and while widespread severe weather isn't expected, a few storms may become strong to severe, with large hail the main threat.
